**RENEWED PETITION UNDER 37 C.F.R. § 1.110(e)**

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

On January 29, 2008, Applicant submitted a "Petition to Revive" with regard to the above-identified patent application stating that the Applicant had in fact responded to the Notification of Missing Requirements in a timely matter. On February 19, 2008, the United States Patent and Trademark Office issued a response to the afore-mentioned Petition dismissing same and stating that the "date-in" box on the Express Mail mailing label was blank. Applicant hereby attaches a true copy of the Express Mail mailing label with the "date-in" box marked with a date of August 25, 2006. In addition, Applicant attaches a true copy of the Response to Notification of Missing Requirements submitted on August 25, 2006 which identifies the Express Mail mailing number as EV389414962US on the first page of said document.

Applicant hereby requests reconsideration of the decision made by the Patent Office on February 19, 2008 and that the office revive the above-identified application. Applicant is submitting a copy of the originally filed Response to Notification of Missing Requirements and a copy of the Express Mail mailing label as supporting documents that the Response was filed in a timely manner and, as such, Applicant believes that he has overcome items 2 through 4 under 37 CFR 1.10 (e). Applicant notes that he has already satisfied item 1.

All statements made are believed to be true and are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application.

Respectfully submitted,
